MOODBIDRI – 574225

DEPARTMENT OF MECHANICAL ENGINEERING

MechXtorme – A Technical Fest
(9 – 10, April 2019)

A Report in Brief

Two days inter college department “*Technical Fest – MechXtorme*” was organized by department of Mechanical Engineering, Alva’s institute of engineering and technology, Moodbidri from 9th to 10th April 2019 for the benefit of the engineering students to upgrade and share their knowledge.

Inauguration of MechXtorme and speech by Chief Guest

Memento to Chief guest by **Dr. Harishanand K.S**

Sri. Kishore Alva *President, Adani Group & Bangalore Chamber of Industry & Commerce* was Chief Guest of the event. **Sri. Vivek Alva**, Managing trustee, Alva's Education Foundation, guest of honour of the function. **Dr. Harishanand K.S**, HOD, Dept of ME and Tech fest coordinator **Dr. Satyanarayan** were presided over the podium.

MechXtorme was started at 10.00 AM in the Auditorium hall, MBA block by Miss. **Vijaylaksmi**, 6th Semester student (master of ceremony of the function), with the prayer song sung by **Mr. Abhishek More** 6th Semester student Engg student. **Dr. Harishanand K.S**, welcomed dignitaries on the dais. **Miss. Aishwarya**, Final year student introduced the Chief Guest **Sri. Kishore Alva** to the gathering.

In an inaugural address, **Sri. Kishore Alva** said that mechanical engineering is one of the most exciting and fascinating disciplines. It possesses the evergreen charm of career making because of its importance in all fields of engineering applications. The discipline explores engineers to the conception, design, implementation and operation of mechanical systems in various aspect of life. He said that, China is a country with the most opportunity currently for mechanical engineers; a lot of manufacturing from around the world is being outsourced to China. They produce more cars than any other country in the world. However, they have a strong preference to hire locals; and their education system is not as strong as most of the Western World.

Mr. Vivek Alva, guest of honour addressed the gathering and said that Mechanical Engineering is considered to be one of the oldest and broadest branches of engineering. This field is also referred to as the Mother branch of engineering. It was heighted that jobs for mechanical engineers are more in future and rumour about no jobs are false. The program was concluded by Vote of Thanks by event coordinator **Dr. Satyanarayan**, Associate Professor, Dept. of Mechanical Engg, AIET.

Department of Mechanical Engineering, Alva's Institute of Engineering and Technology, organized inter college technical fest (**MechXtorme**) for the student aspirants from various engineering colleges.

Two days fest was organized on 9th and 10th April 2019 with the objective to provide platform for the students to showcase their talent with a competitive spirit. The event was successful enough to attract as many as 200 registrations across the state which included 18 technical events. Students

were actively participated in all the events and presented their talent. **MechXtorme** was organized at its best of quality by keeping the interest and need of the engineering student into consideration, with little emphasis on the fun full events behind the scene.

The events such as Paper Presentation, Robo Car War, Remote Controlled Car Racing, CAMD designing, lathe project expo, technical treasure hunt and many more events were equally planned, executed and have managed to gather maximum response. As far as Paper presentation event is into consideration the registrations were done in advance as the paper scrutiny needed to be done and to give opportunity to present best innovative idea submitted during the fest days.

A total nearing to 25 Innovative ideas were acknowledged in various papers and problem statements from esteemed colleges along with Alva's Institute of Engineering and Technology. Apart from these events gaming were also organized. The winners were encouraged with a cash prizes along with certificate for all the events. Department felt proud to organize such a successful event and would like to convey thanks to principal and management for their timely advice and cooperation for organizing successful Fest.

Pre-final year and second year students of ME Department deserve MANY thanks for contributed their complete effort and participants for making “**MechXtorme19**” A Tech Fest a grand success.
