Dear Dr. Peter Fernandes,

Sub: Appreciation letter– reg.

I sincerely appreciate the time and effort of your student **Mr. Chandan Ramesh Shastri (BE- Information Science)** for developing a web page for real time monitoring of the Automatic Weather Station (AWS) in the RRSC-South Campus. The web page is really useful for displaying the near real time weather data at ISITE Campus, ISRO, Bengaluru and also has useful tools such as historical data display in the form of charts and graphs.

His ability to understand the requirement and the effort to develop the application in the shortest time is commendable. I wish him all the best.

With Best Regards,

Yours Sincerely,

K Ganesha Raj
