

Report of Seminar on Research Methodology

Date & Venue: 16.12.2017 in DS Lab

Resource Person: **Dr. Mohideen Bhadhusa, Professor, Department of CSE, AIET.**

A seminar was conducted on “**Research Methodology**” on 16.12.2017 by **Dr. Mohideen Bhadhusa**, HOD, Department of CSE.

Research in simple terms refers to search for knowledge. It is a scientific and systematic search for information on a particular topic or issue. It is also known as the art of scientific investigation. Several social scientists have defined research in different ways. Hence to understand the importance and need of research this seminar was conducted for the faculties of CSE.

Dr. Mohideen Bhadhusa discussed the following topics in the seminar:

- What is the importance of paper publication
- Mistake / Misconception During Research
- Types of research papers
- Method of writing a productive paper
- How to publish a paper
- Where to publish a paper
- Which is the best UGC journals
- How to use latex to write thesis paper.
- Thesis Compilation
- Plagiarism
