

Talk on Research Paper Publishing and Citation

On 19th January 2015, Prof Raghvendra Rao Head of the department AIET, Moodbidri has given a talk on Research Paper Publishing and Citation to the pre final year students and to the faculty of Electronics and Communication Department. He addressed the how to select papers for research and for reviewing and also told about citation to the authors. Talk enlightened students and staff to go for research and to select a project based on some good journals
