

REPORT OF TALK ON SOCIAL ENTREPRENEURSHIP

About Speaker:

Dr. Hafeez Basha,
Chief Technology officer &
Government Liaison

Dr. Hafeez Basha, Chief Technology officer & Government Liaison. He was invited on behalf of the college on 27th August, 2018. He inspired the students not only to take up entrepreneurship but also gave a spark to notch up their career as a social entrepreneur.

Programme Proceedings:

Dr. Hafeez Basha briefed about social entrepreneurship and also emphasized about the role of entrepreneurs in the development of the society. He also differentiated between a traditional entrepreneur and NGO's and also stressed about how different a social entrepreneur can leave an impact in the development of the nation and the human race as whole.

He spoke about setting up an incubation centre under the scheme Niti-Ayog in collaboration with the EDC, Alvas. He gave elaborate information about the working of the organisation and also how the funds could be drawn for the student's benefit. He also shared his knowledge and instilled a passion for the growth as an entrepreneur and also assured how the incubation centre would provide a platform for the development and growth of a student as an entrepreneur. He also added that funding from the Government would be provided for the worthy ideas and projects.
