PROTECTION”**

Name of the Program: Various Intellectual Efforts for IP Protection

Details of the Resource Person: The resource person for FDP was **Mr. Ajith Kumar**. He is an Advocate, and working as Guest Lecturer in Alva's Institute of Engineering and Technology, Moodbidri. He has completed his L.L.B from Mangalore University in 2009 and L.L.M. at S.D.M Law College, Mangalore in the year 2012. He is expertise in delivering informative talks on IPR and Patent filings.

Brief Report about the Program:

A patent is awarded for an invention, which satisfies the criteria of global novelty, non-obviousness, and industrial or commercial application. Patents can be granted for products and processes. To give the awareness of patents AIET conducted one day FDP on "Various Intellectual Efforts for IP Protection" on 13/11/2019 Engineering Seminar Hall. The FDP was conducted for all the faculties, wherein 31 faculties from different departments have attended the FDP.

Mr. Ajith Kumar delivering his talk during the session

Mr. Ajith Kumar during the session explained that the IP protection can be sought for a variety of intellectual efforts including importance of Intellectual Property Rights. Therefore, copyright may not be considered a territorial right in the strict sense. Like any other property IPR can be transferred, sold, or gifted.
