Date: 23rd April 2021

Time: 3PM

Resource Person: Dr. Prashanth Rodrigues, Professor, St.Agnes, Mangalore

Topic: Research Methodology for Internships

Dr. Prashanth Rodrigues interacting with students about research methodology for internships

A session on Research Methodology for Internships was organized by PG department of Business Administration for I year MBA students on 23rd April 2021. The resource person was Dr. Prashanth Rodrigues, Professor, St.Agnes College, Mangalore. In his talk he gave a brief introduction to Research Methodology, various tools and tests which helps students during their internship project. He also shared various concepts of research which supports students to prepare research papers. A total of 73 students of I year MBA participated in this session.

Outcome: This session helped students to learn about various research tools, and methods available in order to do the research. It also helped students to understand the steps involved in conducting research.
