9	Women's Day	32

### **Alva's Christmas - 2018**

Alva's Institute of Engineering and Technology celebrated Alva's Christmas in association with Alva's Education Foundation on 20<sup>th</sup> December 2018 at Nudisiri Vedhike Vidyagiri Campus. Christmas event brought together our students, staff and well-wishers in the preparations from meetings to organise the event, decorations, crib and Christmas card competitions to the Christmas carol singing and practice. It remains a memorable event in the minds of all participants and the history of our daily growing institution. From the youngest of us in the institution to the very topmost leadership, we all were brought together in the spirit of love and harmony working together over the weeks of preparation and establishing lasting friendships across the Alva's Community.

Today it is necessary to foster the bonds of humanity and fusion that dismantle the dividing walls of hate and religion. Relationship is a cross border relationship of caste and creed, said Dr Peter Pawl Saldanha, Religious President of Mangalore Region. Speaking at the Alvas Christmas Celebration ceremony held at the Ratnakaravarni Forum in Vidyagiri under the auspices of the Alva's Education Foundation.

Chairperson of Dr. M. Mohan Alva said that the contribution of Christians in the field of health and education is unique. If the contribution of saints like Mother Theresa inspires us all, then the message of the life of Christ, who is practicing peace, love and coexistence, is meaningful.

Alva's Institute of Engineering and Technology celebrated Alva's Deepavali in association with Alva's Education Foundation. Alva's Deepavali is celebrated this year, with more than 700 artists participating from all over World. It comprised of professional artists along with students of Alva's education foundation who performed various cultural dances and music performances. It was a cultural colourful festival to everyone accumulated here.

The typical Deepavali traditions of Tulunadu such as Tulsi Puja, Saraswathi Puja, Lakshmi Puja, ayudha Puja, worship of farming instruments and cattle worship were performed by the Chairman of Alva's Education Foundation, Dr M Mohan Alva and Swamiji.

Puja by Swamiji during Alva's Deepavali – 2018.

Bharatanatyam, Kathak, Banjara, Maharashtra Lavani, Punjabi Bhangara, West Bengal's Purulia Lion dance, Manipuri Stick Dance, srilanka Candiyan dance, Badaguthittu Yakshagana, dollu kunitha, Kerala Chende, tiger dance, Kangilu, Kalladka keelu gombe were the items presented in the cultural programme organised.

Cultural performance by AEF students during Alva's Deepavali 2018.

Cultural performance by AEF students during Alva's Deepavali 2018.

**Outcome:**

- Alva's Deepavali celebrated on 10<sup>th</sup> November 2018 at Nudisiri Vedhike Vidyagiri, by performing puja by Swamiji.
- Approximately 30000 Students and Staffs and 60 artists blessed with traditional pujas like Tulsi Puja, Saraswathi Puja, Lakshmi Puja, Ayudha Puja, worship of farming instruments and cattle worship. And enjoyed traditional cultural programs.
- Students and Staffs of AIET are participated in Alva's Deepavali - 2018.

## **A BRIEF REPORT OF TECHNICAL TALK ON “SELF CURING CONCRETE”**

*Resource person:* Dr. Raghuprasad P S Associate Professor, Department of Construction Management SJCE Mysore.

The Civil Engineering Department of Alva's Institute of Engineering & Technology, Mijar, organized a Technical Talk on Thursday 3rd Sep 2018 at MBA Auditorium, on “Self-curing concrete” on account of ENGINEER'S DAY

Program Proceedings:

The function began at 02:00 P.M. The gathering was cordially welcomed by 5<sup>th</sup> semester students. 7<sup>th</sup> semester students of Department of Civil Engineering introduced the resource person to the gathering. Prof. Durgaprasad Baliga, Associate Professor and Head, Dept. of Civil Engineering, Guest speaker, were presided over the function.

Technical Talk by Dr. Raghuprasad P S:

Dr. Raghuprasad P S addressing students.

A technical talk on “Self-Curing Concrete” presented by the resource person. Self- Curing is also referred as Internal-Curing. Self-Curing concrete is one of the special concretes in mitigating

insufficient curing due to human negligence and also due to scarcity of water in arid areas, inaccessibility of structures in difficult terrains and in areas where the presence of fluorides in water will badly affect the characteristics of concrete. Essential utilization of water is necessary. SCC is obtained by using blended cement and various admixtures in concrete. SCC can be achieving by various methods. Essential need of saving water and the efficiency of SCC are all briefed out in the session.

Session Closure:

Dr. Raghuprasad P S was honored by Prof. Durgaprasad Baliga, Ms. Supriya (V Semester) proposed the vote of thanks.

Mr. Durgaprasad Baliga, HOD Civil Engineering department presenting a memento to Dr. Raghuprasad P S.

**Outcome:**

- On Engineers Day Technical talks arranged to students by expert resource person Dr. Raghuprasad P S Associate Professor, Department of Construction Management SJCE Mysore, delivered a talk on *Self curing concrete*.
- About 250 Students and Staff got to know about concrete self-curing advantages in construction.

## **INDEPENDENCE DAY CELEBRATIONS 2018**

India's 72<sup>nd</sup> Independence day was celebrated in the presence of 20,000 people at Puthige Shrimati Vanajakshi K. Shripati hall by Alvas educational institution on August 15, 2018.

The celebration of 72<sup>nd</sup> Independence Day at Alva's once again stood true to the glory of all the past celebrations despite rainfall. The customary venue of celebration, K Sripathi Bhat open theater made it difficult to utilize owing to incessant rainfall. However, Nudisiri Vedike saw the footfall of around 20000 patriotic spectators which includes the faculties, students and the public.

The center of campus at Vidyagiri welcomed the gathering with the portraits of freedom fighters inducing the spirit of nationalism among all. The tricolor was unfurled by the chief guest Dharmasthala Dharmadhikari Dr D Veerendra Heggade, synchronized with national anthem. Whole crowd gathered for the celebration waved the flags with full spirit as and when the integration song was sung.

After unfurling the flag, Dharmasthala Dharmadhikari Dr D Veerendra Heggade, said the Independence Day is celebrated to mark the integration of divided India. Stressing onto the conflicts based on the religion and regionalism he said, "We should not be identified with caste, creed, religion and region instead we must recognize ourselves as Indians first, that will instill spirit of harmony and oneness". He added and said 'dividing will perish the nation so it is a need of the hour to 'unite and cherish'.

He asked the young generation to take pride in the leaders like Mahatma Gandhi and Bhagat Singh whose principles have inspired liberation of many other countries. Gandhi championing of the cause of nonviolence as the tool of India's freedom struggle and success, even holds significant in present era. The contemporary leaders like Nelson Mandela, Aung San Suu Kyi and Malala Yousafzai are strongly influenced by the Gandhian methods, he said.

Some 25 to 30 years ago, the world used to think India, as the land of snake charmers. But today our country surprised the world with its development. We are not inferior to any developed country", he opined. Symbolizing the tricolors to the industrialization, agriculture along with the peaceful life of citizens he said, 'we should develop the culture of growing with the nation, which is utmost important for the peaceful coexistence'. He called upon students never to be intolerant towards disciplinary measures and actions, which keeps everyone well controlled.

Kolhapur based Swar-Ninad troupe presented 'Jago Hindustani', patriotic songs and inspirational narratives on the occasion.

Chancellor of Nitte University Dr. N Vinay Hegde, Local MLA Shri. Umanath Kotain, former minister Shri. Abhaychandra Jain, Mijaruguttu Anand Alva's Children Dr. Seetharam Alva, Meenakshi Jayakar Alva, Balakrishna Alva and Mohan Alva and others were present on the occasion.

## **REPUBLIC DAY CELEBRATIONS 2019**

Republic day was celebrated in the presence of 20,000 people at Puthige Shrimati Vanajakshi K. Shripati bayalu rangamandira by Alvas educational institution on 26<sup>th</sup> January 2019.

Brigadier D M Purvimath, visishta seva medal hoisted the flag. Speaking on the occasion he said "We need to craft a modern India that is both a land of talent and land of unlimited opportunities for that talented. So it could be materialized and India will be the strongest country in the world, only when we all work together".

Brigadier D M Purvimath, visishta seva medal hoisted the flag.

“ An innovative nation is built by innovative children. This must be an obsessive goal of all institutions and our schooling system has to encourage our children to think and to thinker, not just to memorize and reproduce. In fact, children are pillar of this country”, he said.

Chief guest and Dr. M Mohan Alva Chairman AEF Salute the Natioanl flag.

“Educational Institutions are greater than temples. Education institutions teach to live in unity. We can show patriotism by delivering our duties properly. Saving public properties like clean water, maintaining cleanliness, following the law, building corruption free society, investing in India and helping the nation to achieve financial development are some of ways through which we can show our respect towards nation. We should preserve the Independence that is achieved with scarifies of thousands of people”.

Alvas educational institution Dr. M Mohan Alva, trustees Vivek Alva, Vinay Alva and many other dignitaries were present.

## **A BRIEF REPORT OF TECHNICAL TALK ON “COPING WITH WATER SCARCITY”**

*Resource person:* Dr. M.K.RANGA, Professor, Department of Civil Engineering, MIT Manipal.

The Civil Engineering Department of Alva's Institute of Engineering & Technology, Mijar, organized a Technical Talk on account of World Water Day on Monday 20th March 2019 in Auditorium, on “COPING WITH WATER SCARCITY”.

### *Program Proceedings:*

The function began at 9:00 am. The gathering was cordially welcomed by Ms. Dhanya (VI Semester). Ms. Varsha G kori and Ms. Latha (VIII Semester) of Civil Engineering introduced the resource persons to the gathering. Prof. Durgaprasad Baliga, Head of Department, Civil Engineering, was presided over the function.

Dr. M K Ranga, Professor, Department of Civil Engineering, MIT Manipal delivered a talk.

Dr. M K Ranga expressed that global water use has been growing at more than twice the rate of population growth in the last century. Water scarcity already affects every continent and more than 40 percent of the people on our planet. By 2025, 1.8 billion people will be living in countries or regions with absolute water scarcity, and two-thirds of the world's population could be living under water stressed conditions. In order to really understand how serious the problem is we first must take stock of the immense impact water has on our daily lives and our ability to provide for a better future.
