

Department of Computer Science and Design

Action Taken Report

Date : 20 September 2023

At the Department of Computer Science and Design we value the comments made by faculty members, students, Alumni and employers to improve the curriculum and make it more need-based research and job-oriented. We have addressed all of the suggestions made, and the measures have been taken in this regard to enhance the knowledge of students. Action taken is listed in the table below as shown.

Key Feedback Response	Action taken
Need certification course on latest technology related to real world with hands on session.	Students are encouraged to take up online courses from reputed organizations like NPTEL, Coursera LikedIn. It is planned to consider the subject related online courses as assignments
Department related courses to be included	Planned to conduct Hands on workshop on various design tools
Human Values to be included in curriculum	Planned to conduct human values activities through Department Forum and NSS
Industry awareness programme	Industry visit will be implemented in department.
